

TO JOIN OR NOT TO JOIN?

Joining makes a statement. It is an act of commitment. And it changes things.

It changes how you look at Middleburg United Methodist Church. You are now more than a participant, you are a member. Because you belong you find yourself drawn more deeply into our fellowship with all the support and nurture that brings.

It changes the church. You bring unique gifts and graces that will make a difference here. As an active member your ministry touches all of us.

Joining says you find this to be your spiritual home in this part of your journey in faith. When you join you make a commitment to be an active member of this church family.

WHEN YOU DECIDE ...

To become a member of the family of faith at Middleburg United Methodist Church, simply fill out the form on the back and place it in the offering plate or give it to the pastor. After an interview with the pastor and lay leader you will joyfully be received as a member. We also encourage you to take a 4-week class, "What Is A Methodist," taught by the pastor, to tell you more about our church and to answer your questions about United Methodism.
